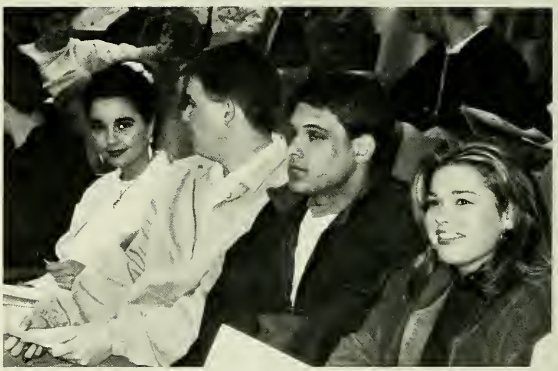
Dedication



The yearbook is usually dedicated to a faculty or staff individual who dedicates their time and energy to the campus and to better the environment we live in. Their efforts are to be respected always. But, as I was putting the 1993 yearbook together I noticed something different. There's a group of people that do more for our campus and the environment we live in than any one individual could ever do. These people are the ones who run our Student Government Association, Program Board, Spring Fling, Alcohol Beverage Committee, Alumni Recreation Center, The Currier Times, WMLN, The Yearbook, and all of our clubs and organizations. These people are you, The Movers and Shakers of our campus. It is you, the student. You are the one who plans the activities we all attend such as Comedy Nights, Coffee Houses, and, of course, PUBS. You are the one who keep us informed through our bi-weekly newspaper. You are the ones that make us Buffalo Wings and pizza when we have the munchies late at night. You are the ones who keep us entertained with diverse programming at our award winning radio station. You are the student who cares about the environment we live in and strive to make it better. You are motivated students who work hard in everything you do, in class, and out. You hold a prestigious and valuable place on campus that is to be appreciated by all of us.

Dedication

Dedication

Because of all the hard work you've done, the making of this Yearbook was possible . . .
ENJOY IT!!

Homecoming Weekend

Homecoming Weekend

Halloween

On October 29th, the Thursday before Halloween, students invaded the Kennedy Gymnasium in a wide assortment of attire for Curry's Halloween Dance. Students of all ages came dressed in cloaks, pajamas, and karate outfits. There were walking pumpkins, ghouls, doctors, gypsies, bikers, and even a male cheerleader. Music, refreshments, and dancing with masked strangers were among the highlights of the event.

Jack O'Lantern's full of candy were awarded to the two best costumes: Bridget Kocher, who went as a colorful bag of jellybeans, and Marc Guttman, a Grim Reaper with a very fancy cloak and staff.

Family Weekend

Families flocked to campus to join in activities for Curry Family Weekend, Saturday, October 13 - Sunday, November 1, 1992.

Parents and students took advantage of the new food service at the complimentary brunch from 10 am - 12 pm. At the brunch, many parents were able to meet with faculty before the afternoon events.

At 1 pm, the Curry Colonels took on Hartwick College, beating them 32-13.

At 12:30 as an alternative to football, there was a trolley tour of Boston, a good option for either people from out of state, or natives of Massachusetts.

Parents met with President Catherine Ingold at the President's Reception from 3:30 - 5:30 pm. From there, many families went out to dinner, wither out on the town or at the dinner held at the Hilton in Dedham Place.

From 9:00 pm - 12:00 am, families won big at Casino Night as the ARC was transformed into a casino.

YEARBOOK STAFF

It's kind of hard to make a staff page when there was really no staff. But, that's not true because a lot of people helped to put this yearbook together. Let me explain. When we began in September of '92 we had a formal staff of six, by Winter Break, it had declined to two, including Kim Sweeney. By Commencement it was just Kim and myself. Unfortunately, Lauren Tanner had to graduate and I would like to Thank her for all of her help and hard work! After a long summer and a couple of major layout changes, we were well underway. Well, the Book is done and I hope you all enjoy it! I tried to get as many pictures of you in that I could & I'd like to say thank you to all the people who

Sent pictures in - they helped a lot! I'd also like to thank my "Make Shift" staff for their help - These people are: Kim Kisiel, for taking so many pictures; Liz Bush, Elena Hickey, Katie Reddy, Marnie Wolfe, Lynn Sullivan, Dan Armstrong & Jon Little. A special thanks to Bob Murphy, Kathleen and Joyce for being patient. Thanks for all the help.

On a different note, I'd like to Personally dedicate this Book to Kim Sweeney and Andrea Kanonjan. To Kim, because she & Kim and Andrea I missed you tons on staff and I was really disappointed that we couldn't work together!

To the rest of the Graduates - Congradulations - I wish you all the Best the World Has To Offer!

- Danielle Hyde
